We feel Proud to Say...

Samalkha Group of Institutions organized its first Orientation Programme for the incoming first year Engineering students .

The Chairman Addressed the Student's

The students were accorded warm welcome by Sh. Ajay Goyal, the Chairman of the college. The orientation programme, was aimed to acquaint the students with the institutional ethos and enable them to cope with the demands of engineering programme. In his welcome address, he said that SGI have all the necessary resources which are required to develop a student as a full fledged engineer ready to meet the challenge in the industry. He called upon them to take full advantage of the various resources of SGI.

Champions are not supernatural, They just fight one more second when everyone else quits.

TIME TO INVITE ASPIRING ENGINEERS...

Dean Engineering of the institute Dr. Priyanka welcomed the students and students were introduced to the members of the faculties of the institutes. Students were also acquainted with the Syllabus of their study programmes, with the rules and regulation of the institute and university, academic requirements and were also given personality development tips. During her address she briefed students about the facilities which shall be provided by SGI. It includes:

Book Bank facility, Internet facility ,
Hostel Facility, Transportation Facility,
Cafeteria Services, Student Monetary Custodian facility ,
Campus Guardian System, Digital Library System etc

students were given a course file containing time table, teaching plans, tutorial sheets and schedule of sessional examinations.

Prof H L Chhatwal (Dean Management) in his address said that just knowledge of the course curriculum is not enough, additional knowledge of current happenings in the environment is also required. He gave students many useful tips from his long career in Industry/R&D and academics.

Prof V.S.Bhaduria proposed the vote of thanks on this occasion and said that SGI will help students to explore their real self and their ability to serve the society at large.

The Orientation day at SGI started with Pooja. Many Dignitaries were invited on this occasion. SGI provided Breakfast and Lunch to all the invitees.

Teacher's Day Celebration

“Guru Brahma, Guru Vishnu,
Guru Devo Maheshwara,
Guru Sakshaat Param Brahma,
Tasme shri guruve Namah”

With such feeling in mind Teacher's day was celebrated in the SGI campus on 5th of September 09 with serenity and respect.

The entire event was organized by Students. The event included various games such as dumb charades, musical chair etc. Group discussions were also organized under the titles: “Difference between ancient GURUS and modern TEACHERS” and “Difference between ancient SHISHAYAS and modern STUDENTS”.

Some cultural activities like Singing and Dancing were also performed. The winners of the activities were announced, praised and rewarded by Dr. Priyanka, Asso. Director, Samalkha Group of Institutions.

ORIENTATION PROGRAMME FOR 1ST BATCH OF MBA STUDENTS

The orientation programme for 1st batch of MBA students at SGI was held on 15th September, 2009. Parents of all the students were also invited.

The programme started with lamp-lighting and Saraswati Vandana. It was followed by welcome address by Sh. Ajay Goyal, Chairman, SGI. Sh. Goyal welcomed the students and narrated the unique steps taken by the management to transform them to Global Managers, to face challenges anywhere across the globe.

It was followed by an excellent address and presentation by Prof. HL Chhatwal, Dean (Management) and Associate Director at SGI. During his address, Prof. Chhatwal welcomed the students and narrated details of the steps taken by SGI, to make MBA programme a great success. In his comprehensive presentation, students were acquainted with course curriculum, details of specialization, academic dynamics and learning and exposure modes for the programme. Students were also briefed about Ethos of the SGI along with various rules and regulations covering every aspect of student life at campus.

“There are three ingredients in the good life: learning, earning and yearning.”

Faculty members of MBA and B.Tech programmes were then introduced. Mr. Vishal Gautam Proposed the vote of thanks.

The programme ended with a happy note by singing of National Anthem followed by sumptuous lunch.

Students were then issued their course files along with book for first semester. It was followed by an introductory class on 'Management Thoughts' by Prof. Chhatwal.

Engineers Day Celebrations at SGI

Engineer's day was celebrated in the SGI campus on 15th of September 09. Events were held on this day: Quiz competition, debate competition etc.

Cultural programme was presented by students from all the branches. **Dean Engineering** of the institute appreciated the endless efforts made by the staff members and students, and wished them to carry on the same enthusiasm in the future.
