SGI's Newsletter

August09

“We see the Samalkha Group of Institutions where students are nurtured through the continuous learning and skill improvement, and are heard and encouraged to do their best. Samalkha Group of Institution is recognized as the best center for training and developing their students.”

Your revolution starts here...

SGI has focused vision towards:

- ☞ Development of high ability to learn, as job content keeps changing, high trainability and the ability to learn new skills fast.
- ☞ Promote quality and innovation in technical education and training sector.
- ☞ Substantial growth of technical education with quality to match the industry requirement..
- ☞ Imparting of technical skill through industry-oriented training.

AICTE Visit

Experts committee of the All India Council for Technical Education visited campus of Samalkha Group of Institutions on, on 25th June 2009

Experts Committee, of the All India Council for Technical Education, held discussions with the Chairman and Director of the college & a full-fledged report on the college was presented to the committee.

Members of the panel had close inspection for the Physics, Chemistry, Computer Science, Electronics, Electrical and workshop Technology Laboratories.

Experts Committee, had focused on the availability of books, journals, magazines and policies followed by the Library.

Education Fair

On 4th - 6th July an education fair was organized in Sonipat by Samalkha Group of Institution in association with N. C. College Of Engineering and Panipat Institute of Engineering and Technology etc.

Chief Guest at the education fair was Sh. Ramesh Kaushik, Secretary, Deptt of Education, Government of Haryana and inauguration was done by the Dr. Priyanka Associate Director, Samalkha Group of Institutions. Approximate 50 Colleges were participated.

After institution introduction organized events like: Quiz Competition, IQ tests etc. Which was followed by prize-distribution. Team from SGI rendered counseling to the students. The response was tremendous.

SGI has state of the art infrastructural facilities. The **SGI** campus is beautiful and serene atmosphere ideally suited for Management & Technical education. It is a wholly self-contained campus comprising of everything that students on campus would ever require.

The facilities on the campus include classrooms with multimedia equipment like LCD's, Sound systems, digital library, modern computer labs, wi-fi and centralized A.C. campus.

The classrooms are equipped with audio-visual equipment to facilitate effective learning. They are designed to promote maximum interaction between the faculty and the students.

The library includes large number of books, national and international journals. The center aims to facilitate production & dissemination of knowledge, information, insights & intellectual contribution in all areas of education among the academic and business community.

The library resource center is fully automated and for this we have specialized user-friendly library software called KOHA. The center has adopted latest information technologies like CD, DVD, Multimedia Kits, The user community has access to the entire collection through CD, DVD.

Come; see it to believe it.

Training and Placement

Training and Placement Cell is an integral part of the institution. The institute has provided the complete infrastructure for effective functioning of the cell. The cell is designed to function with a high degree of professionalism

As a part of the efforts to develop and strengthen the relationship with the corporate world, SGI has long-term strategy to place students in prestigious organizations. The members of Training and Placement Cell are highly ambitious, hopeful and optimistic about the future placement scenario of SGI.

Students will be exposed to the real time work environment of various MNC's. Training will be offered to the students both on the conventional as well as in advanced techniques.

The aim of Training & Placement cell is to build a long – term career with leading MNC's and not just place the students.

Training and Placement Cell organizes sessions of aptitude test, group discussion and guidance program on How to face interviews for the students.

Extends guidance to the students looking for higher studies such as GATE, GRE and TOEFL and also to choose universities.

Motivates the students by providing the necessary help and guidance for their personality development.

The various activities, which will be considered are - placement of the students, Entrepreneurship awareness & development programmes, invited lectures of the persons from industry & other institutions, Personality development programmes etc.
