4 Day Tour Organized for Civil Engineering Students

The overall development of students has been the utmost priority of SGi. For providing industrial exposure to its students, SGi organizes industrial visits & tours from time to time. Recently a 4 days tour for B.Tech Civil Engineering students was organized from 2nd July 2013 to 5th July 2013.

Day 1

On 2nd July 2013, a surveying camp was organized on Shivalik Hills (Sohna). All the students of Civil Engineering 5th semester participated in the camp. The objective of the camp was to provide knowledge about surveying at the proper site conditions in various terrains like hilly areas. Students learnt about levelling, Plane table methods, Contouring, Theodolite measurements of angles. All the aspects of surveying were learnt by the students of Civil Engineering.

Day 2

On 3rd July 2013, another surveying camp was organized on Aravalli Hills, Surajkund (Faridabad). The sole aim of organizing this camp was to give practical exposure to students on different site locations. Students came to know about different surveying methods and various aspects of surveying. Students were found very excited during this second surveying camp. They practiced all the methods they learnt on Shivalik Hills (Sohna).

Students very actively participated in the camp and they thanked SGi management for organizing such camps on regular basis for practical exposure.

Day 3

On 4th July 2013, an Industrial visit to Ghogripur, (Karnal) Hydroelectric Power Plant was organized to provide the knowledge about the generation of hydroelectricity. The objective of the industrial visit was to help students gain the first hand information regarding functioning of the power plant and its various construction aspects, which provided the students with opportunities to plan, organize and engage in active learning experiences both inside and outside the classroom, to give a practical exposure and to understand the application of theory into practice. This provided opportunity for interaction with engineers and executives associated with visit to a working establishment. The visit gave right perspective of what is disseminated in classrooms. The engineers of Ghogripur Power Plant helped the students to

understand the various phases of generation process and they also took the students for the visit at every section of the plant. On the onset, the officials of power plant and teacher in-charge explained to the students in brief about the Construction & working of Power Plant, Raw materials used, Plant Layout, Construction phases and they also explained the process from the Planning phase to the completion of project. Students understood the punctuality and the discipline at the plant.

Day 4

On 5th July 2013, on their way back from Ghogripur, Karnal Hydroelectric Power Plant, students visited Panipat Battlefield (Kala Amb). 'Kala Amb' is a memorial built in memory of the Maratha soldiers who died in the battlefield of Panipat. It is said that blood of the dead soldiers was mixed with the soil and the fruit of a mango tree became black in color due to that and hence the name "Kala Amb" meaning 'Black Mango'. It is one of the most eminent tourist places in Panipat.

The Kala Amb Tree is a popular sightseeing spot of Panipat situated at a distance of 8 km from the city. This tree spot is the place where Sadashiv Rao Bhau located his Maratha troops during the 3rd battle of Panipat in 1761. It is a memoir dedicated to the Maratha soldiers, who sacrificed their life in this battle. Kala Amb is a Black Mango tree, whose dark colour foliage gave it its name.

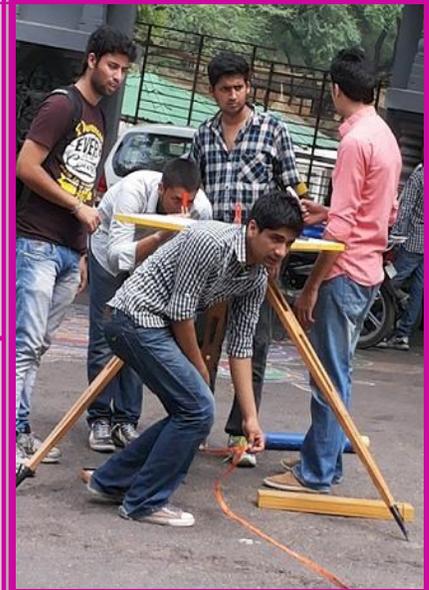

Apart from the tree, being the attraction of the place, there are many other places of interest near this site like cosmopolitan malls offering shopping and entertainment opportunities along with a handloom and textile market. There is also a black pillar with an iron rod situated in the place, which is surrounded by an iron fence. Renovation and maintenance of this site is under the supervision of a society built by the Governor of Haryana. Several remains of ancient buildings and structures that are of archaeological and historical importance are also present around this place.

Students were very excited and found themselves relaxed after 3 day industrial visit and the camp.

Day 5

On 6th July 2013, students arrived at SGi. They were full of zeal and enthusiasm and thanked the SGi management for organizing such events from time to time.

The whole tour was successfully coordinated by Mr. Mukul Kathuria, Head Coordinator of Civil Engineering Department, Mr. Gaurav Jangra, Assistant Professor, Mr. Suriender Singh, Technical Assistant of Civil Engineering Department at SGi.

Talent Hunt 2013 organized by SGi: Overwhelming Response

SGi has successfully organized “Talent Hunt 2013” on 6th July 2013 to provide a plenty of job opportunities in corporate sector at National level to the deserving candidates. Many students registered for the event from all over the country. About thousands of registrations were made online from different parts of the country. Due to overwhelming response, online registrations were closed one day prior than the scheduled date. About 16 reputed companies visited the campus for hiring candidates against 200+ vacancies.

Due to heavy rush and response, physical registrations were started at SGi at registration counter from 8:00 a.m. onwards. Registration fee for each candidate was Rs. 100/- and they were issued an entry card. There was no registration fee for students of SGi. With the entry card students could appear for interviews in different companies according to their qualifications and the profile given by the respective company.

Placement of the students has always been the priority at SGi. It always invites top companies for the students of SGi and also for students of other educational institutions. SGi has been achieving records in actual placements. SGi has also arranged transport facility for the candidates from samalkha to the campus.

Thousands of candidates registered for the event “Talent Hunt 2013”. The students were packed with great zeal and vigour. A flex regarding company details and hiring criteria was made available to the students at many places. This made convenient for the student to choose the best company for their interview.

Genpact

Genpact, a global leader in business process management services, uses process to help its client's power intelligence across their enterprise to run smarter operations make smarter decisions and use smarter technology. Genpact's Smart Enterprise Processes (SEPSM) framework, its unique science of process combined with deep domain expertise in multiple industry verticals, leads to superior business outcomes. Finance & Accounting (General Accounting, Accounts Payable, Accounts Receivable, Reconciliation etc). The eligibility criterion was MBA (Fin) with B.Com in Graduation. The job location was Delhi NCR (Gurgaon).

QSource Global Consulting Pvt. Ltd.(Hiring Partner IBM India Ltd.)

IBM is a global technology and innovation company that stands for progress. With operations in over 170 countries, IBMers around the world invent and integrate hardware, software and services to help forward-thinking enterprises, institutions and people everywhere succeed in building a smarter planet. IBM has been present in India since 1992. The diversity and breadth of the entire IBM portfolio of research, consulting, solutions, services, systems and software, uniquely distinguishes IBM India from other companies in the industry. The eligibility criterion was B.Tech /BE/MCA.

Ikya Human Capital Solutions Pvt. Ltd.(Hiring for RBS)

The Royal Bank of Scotland (RBS) plc is one of the retail banking subsidiaries of the The Royal Bank of Scotland Group plc, and together with NatWest and Ulster Bank, provides branch banking facilities throughout the UK and Ireland. The Royal Bank of Scotland has around 700 branches. The eligibility criterion was MBA/PGDM/BBA/Any Graduate. The job location was Gurgaon. The selection process included face to face interview.

India Next (Hiring for iYogi)

The eligibility criterion was B.Tech, MBA, MCA. India Next offered regular placement schedule for the candidates. The job profile included accounting for troubleshooting technical issues over remote access and over the phone. The job title was Digital Tech Expert and the job location was Gurgaon.

Wipro (in association with INS E-Solutions Ltd.)

Wipro Infotech is a leading manufacturer of computer hardware and provider of IT services in India and the Middle East region. Part of Wipro Ltd, the \$6.98 billion conglomerate and global leader in technology enabled solutions, the company leverages on the parents philosophy of Applying Thought to enable business results by being a transformation catalyst. The eligibility criterion was any Regular Graduate(but No B.E/B.Tech) with no gap of more than 1 year in academics. Work Location was Delhi / Gurgaon / Noida and the nature of work included Hardware and Networking / IT Helpdesk profiles.

Kri Tech Solutions Pvt. Ltd

Edusol is the latest venture of the KRi Group, a group that has witnessed 25 years of achievements. The group has already carved a niche for itself in the corporate world. A tradition of excellence has been a vital force for the success of the various businesses of the Group "Kri Group". Any graduate with marketing specialization was eligible for the company profile. The job position was Area Sales Officer and the job location was Delhi/NCR.

NIIT Ltd. (In association with Nueva Solutions Inc.)

In association with Nueva Solutions Inc. NIIT is a leading Global Talent Development Corporation, building skilled manpower pool for global industry requirements. The company which was set up in 1981, to help the nascent IT industry overcome its human resource challenges, has today grown to be amongst world's leading talent development companies offering learning solutions to Individuals, Enterprises and Institutions across 40 countries. The eligibility criterion was B.Tech, BCA or B.Sc IT graduate with an ability to handle training at schools. The job post offered was IT faculty. The job location was Delhi/NCR.

InterGlobe Technologies

InterGlobe Technologies (IGT) is a global travel domain expert providing travel technology and BPO services that help maximize business performance for its customers. IGT is committed to delivering innovation and business excellence across the entire spectrum of the travel and hospitality domain. The company offers Integrated Application Development and Maintenance, Contact Center, Back Office Services and Solution Frameworks to the travel industry worldwide. The company targeted BBA/MBA students and the criterion for hiring comprised of 3 rounds- Personal Interview, Written Test and Operations Round. The job location was Gurgaon.

Vodafone

The job profile was CRE (Customer Relationship Executive). The company targeted those candidates who are seeking career in Telecom industry. The eligibility criterion was MBA/BBA/Graduate. The job location was Delhi /NCR.

Futuronix Automation Pvt. Ltd.

Futuronix Automation Pvt. Ltd. has been seeded by Coronet Engineers (P) Ltd. where a group of engineers are working with a mission to provide high tech automation system and are striving to deliver high quality product and utmost customer satisfaction within the frame of efficient economics. The Company itself was established in 1998 and within less than a decade, it has made its own niche in the field of Industrial Automation. It is the expertise and experience along with the wish to serve to the best paved the path to establish an institution of excellence in the field automation in name of Futuronix Automation Private Limited in the earliest of the year 2006. The eligibility criterion for its opening was Degree/Diploma(Electrical/EC/EEE/IC). The functional area included Engineering Design, R&D, Application Engineering, Sales & Service. The job title was Engineer trainee.

Bespoke Digital Media

Bespoke Digital Media is a UK based web technology company with its operations in Delhi, Singapore & UAE. Bespoke Digital Media is providing wide range of web services to its clients and customers across the globe. The company offered sales executive and software developer job profiles. The eligibility criterion was BBA / MBA (Marketing) and job position was IT Sales Executive. The job location was Sahibabad Industrial Area, Sahibabad, Ghaziabad.

Logic ERP Solutions Pvt. Ltd.

Logic is Microsoft certified, SAP certified, HP certified, India based Custom Software Development Company providing IT services since the year 1993. In the last 15 years, it has achieved the status of reputed Software Development Company by implementing wide range of projects for reputed organization in following different sectors. The eligibility criterion was B.E/B.Tech/MCA. The job title

Teleperformance

Teleperformance, the worldwide leading provider of outstanding customer experience at every single opportunity, has been serving companies around the world, providing superior results in managing their customer care, technical support and debt collection operations. In 2012, the Teleperformance Group achieved 2.347 billion revenues (US\$3.018 billion - Using 2012 average exchange rate of 1,286 USD). The eligibility criterion was B.Tech/B.E/MCA/ M.B.A/Any Graduate.

Tech Futuristic

Tech Futuristic is one of the most robust IT industries in the world. Tech Futuristic more than any other IT industry or economic facet, has an increased productivity particularly in the developed world and therefore is a key driver of global economic growth. Students got a wide professional exposure due to a vibrant schedule of academic conferences and seminars duly arranged with top academicians, scientists and industry leaders. Excellent performance of SGI students motivates companies to revisit.

The event proved to be successful due to dedicated efforts of Mr. Vishal Dora, TPO, SGI and Mr. Amit Sinha, Training & Placement Manager, SGI.

At last, the HR Team of the Companies paid vote of thanks to SGI for providing best facilities, infrastructure, Manpower and Students Co-ordinators. They also appreciated the best efforts of SGI in all senses.

Dr. Rajesh Goel (Director, SGI) promised the students for these type of activities in coming days too.

Appreciation & 100% fee waiver to State Topper for studying at Samalkha Group of Institutions

SGi extended its warm wishes to Ritu Bansal being State Topper in the recently declared results of class XIIth, HBSE. SGI awarded her with an appreciation letter and 100% fee waiver for BBA course at Samalkha Group of Institutions at her house in 8 Marla Colony, Panipat on 16th July 2013.

SGi has always been known for its uniqueness in imparting complete education to its students. SGI has always appreciated the meritorious students and worked for their bright future aspects.

Now again SGI has stepped forward in this direction. SGI has given an appreciation letter and 100% scholarship to the state topper-commerce in Senior Secondary Examination 2013 of Board of School Education Haryana, Bhiwani for her studies (BBA course) at Samalkha Group of Institutions. In the recently declared results of Haryana Board, class XIIth, Ritu Bansal has topped in Haryana by scoring 96.6% (483 marks out of 500). She is a resident of Panipat. Her father runs a grocery store and they are three siblings.

On this occasion Prof. (Dr.) Rajesh Goel, Director, SGI, Prof. (Dr.) Puja Walia Mann, Dean Faculty of Management at SGI and Dr. Satish Kumar Matta, HOD, FOM, SGI heartily congratulated the said girl, her parents, her teachers and school management.

On this occasion Ritu's parents were also present and they presented a heartfelt thanks to SGI management for such appraisal from them.

Active Participation In Seminar Organized By Dainik Bhaskar

SGi has always been known for its continuous progress in aspects of providing best environment to its students. SGI has also been a keen promoter of such activities which bring for students interests and their achievements.

SGi actively participated in the seminar organized by Dainik Bhaskar on "Management concepts hidden in the mythological books" on 13th July 2013 from 4:00 pm to 6:00 pm. The event was organized at S.D. (PG) College auditorium, Panipat. Pt. Vijay Shankar Mehta was the guest of honour. He is a well known expert in Mythology and daily writer of "Jeene ki Raah" in Dainik Bhaskar.

The event mainly concentrated on the knowledge hidden in the mythological books which have to be revealed for living a successful life. The heart touching elaboration of Hanuman Chalisa was the attraction of the event. With each elaboration the hall was filled with the sounds of claps and clearly was a symbol of appraisal of audience present.

Prof. (Dr.) Rajesh Goel, Director SGI, Prof. (Dr.) Puja Walia, Dean, (FOM), SGI and Mr. Vishal Dora, Assistant Professor, SGI were active participants in the event. Prof. (Dr.) Rajesh Goel and Prof. (Dr.) Puja Walia presented a memento and an appreciation letter as a token of gratitude on behalf of Samalkha Group of Institutions.

SGi appreciates such events which bring a new vista in field of thinking and promises to be an active and continuous promoter of such events.

Mobile Charger that does not Require Electric Source Made by SGI Student

Samalkha Group of Institutions (SGi) has always stressed on overall development of its students. A student of SGi has made a charger which will facilitate charging of cell phone during non availability of any electric source. The charger uses a battery which can charge the cell phone when connected to it. The battery used is rechargeable and it makes the use of the charger dynamic.

The main highlighting features of the charger are:

- Portable
- Easy to handle
- Can charge many cell phones at a time
- It can charge any brand of cell phone when there is no electric source, i.e., while traveling in bus, train where there is no sockets to connect the charger with an electric supply
- It can restrict the cell phone from shutting down in emergency by immediately connecting it to the charger

The charger is made by Shubam Sharma, B.Tech 1st year student at Samalkha Group of Institutions (SGi). In context of interest of Shubam towards such projects SGi has decided to provide full support to the student in future.

Samalkha Group of Institutions (SGi) heartily congratulates Shubam and its family for such an inventory project within SGI premises.

SGi Students Assembled The Robot MAST RAM

Samalkha Group of Institutions (SGi) students have successfully assembled the SGi's Human Robot, named MAST RAM which resembles a human body physically. These (B.Tech)^{3rd} year students have achieved success after continuous effort in the field of ROBOTICS. The Robot was assembled under the guidance of Embedded Research & Development Centre (ERDC) at SGi.

This robot has been made with the sole aim of providing aid in the day to day life of humans. This robot has two arms and two legs. So it can easily walk, dance and carry objects. This robot is made on a small scale but if fabricated on a big scale it can bring revolution in the technical world.

The robot can be served as a labor force with comparatively high efficiency, thus reducing cost. The robot may also be used for entertainment purposes. It may be programmed for various movements and tasks. It uses four batteries of 1.5 each and is programmed using 8051 microcontroller. The robot can walk with the speed of 0.2 m/sec. At present, it is programmed for lifting, walking and dancing movements.

SGi appreciates the success of its students and further encourages them to work for mankind.

Main features:

- The ultimate in attitude
- Stretches up for a big High 5 and says “Aaay”
- Open hand strike with powerful Hi-Hah
- Able to talk back
- Lift both arms and roars
- Can Whistle
- Blinks and moves eyes appearing it is thinking
- Respond to a sound
- Angular movements
- Toss objects by throwing them in air

BBA (A Game Changer Course) HR Enclave

Samalkha Group of Institutions, SGI organized an HR conclave named on “**BBA - A Game Changer Course**” on 20th September, 2013.

The spotlight of the event was on the future career prospects for aspiring graduate students especially the BBA. It is generally assumed that the BBA (Bachelor of Business Administration) is just a graduation course; but BBA is a course that improves the confidence and employability skills of the students leading to job placement. BBA course grooms the personality of the students and aims at holistic development. Students from various regions including Karnal, Panipat, Samalkha, Delhi, Sonapat, Rohtak and Gohana came to attend the Conclave. The main theme of the program was to spread awareness amongst the youth who have to step forward towards their graduation.

Through this conclave the participating HR heads from various organizations, shared that students can opt for further studies i.e. Post Graduation, while on the job. Reputed organizations encourage their graduate employees to undertake various technical/professional courses further.

Corporate personnel from India’s leading organizations i.e HCLTechnologies, Vodafone, Securities Exchange Board of India, Ruva Customer Services, WIITS International, InTarvo Technologies etc. were present to guide the students in terms of career planning in various industries including Retailing, Banking, Insurance, Government Jobs etc . Principals of well established schools were also invited to share their views for opting the professional course- BBA as a career.

Mr. Sumit Sachdeva from HCL Technologies, Dr. Sharad Ranjan from Securities Exchange Board of India, Mr. Tushar Kumar from Ruva Customer Services, Mr. Ranjit Kumar from Vodafone Telecommunication, Mr. Raj Senapati – inTarvo technologies and Mr. Swaroop Mishra, Wiits International, shared their views regarding the demand for innovation driven young graduates in the corporate world and inspired the students to build a positive attitude and sharpen their employability skills to be able to get ready to enter into employment by undertaking a professional course like BBA. The academicians from various schools were also present on the conclave along with their school students and appreciated the effort of the college for arranging such a seminar for developing awareness about the employability options amongst commerce students.

Dr. Rajesh Goel, Director SGi, explained the confusion a class XII student generally faces after passing the board exam. He highlighted the need to have such a conclave for the benefit of the students and understanding the ground realities of taking up a course. Dr. Puja Walia Mann, Dean Faculty of Management SGi, shared the need of establishing a clear goal in life and working towards its attainment through quality teaching. These facilitate the success of students in the private and government sectors.

The training and Placement cell of the SGi shared their past experiences at various campus drives for hiring the graduates and informed the students about the key skills which the corporate look for while recruiting and how a BBA course can impart the same. Now a days, many big brands and companies are hiring graduates, particularly BBAs. Following are the major companies, which visited SGi for hiring BBAs in the past: Genpact, IBM, IKYA Human Capitals Solutions Pvt. Ltd., NIIT, InterGlobe Technologies, Vodafone, Bespoke Digital Media, Teleperformance, Tech Futuristic, Country Club, Teamlease, Eureka Forbes, Creative Lipi, Servo, Target Group, Clearpath, Greenmind, Manpower, HT Media, Robinserve FM Pvt. Ltd. This shows that there is ample demand in the industry for skilled graduates.

The Conclave's guests appreciated the fact that the programme was coordinated by the students of Management department under the guidance of Dr. Puja Walia Mann, Dean-FOM, and indicated that such opportunities of managing events instill amongst the students the required managerial traits, including team working, time management and self discipline etc.

The registration to this conclave was free and all the participants were given certificates of Participation. The parents of the students were very happy with this initiative of the college and thanked the college management for organizing a platform where both industry and academia interacted face to face with the students and also answered to students queries. They also requested the management of the college to organize such interactions frequently for other courses also for the benefit of the students.

In the event, Dr. Parveen Bhatt, Dr. Satish Kumar Matta, Mr. Vikas Uttraja, Mr. Amit Verma, Mr. Dinesh Jain, Mr. Debraj, Mr. Mukul Kathuria, Mr. Amit Sinha, Mr. Vishal Dora and other senior faculty members of SGi were also present.

Grand Success of AIR SHOW Organized at SGi

SGi has successfully organized the “Air Show” on 31st July 2013. It was the first such show in this North region. The event included the practical aeronautical sessions and demo lectures on the take off, flying and landing of aircrafts. The event was organized with the prime objective of imparting practical knowledge to the students in the field of Aeronautics.

The event started with the inauguration by flying balloons in the sky by Hon’ble Sh.. Ajay Goyal, Chairman, SGi and Dr. Rajesh Goel, Director, SGi.

The event also included the display of items and RC Flight simulation so that students and parents may feel the experience of real time flight. Many kits were also displayed so that students and parents can purchase the kits and can assemble their own planes.

The aircrafts which were the major attractions included “Sky Star IC Aircraft”, Scanner IC Aircraft”, Easy Star RC Aircraft” and “Cessna 182”. There were practical sessions on the take off, flying and landing of these aircrafts in the premises of SGi. For accomplishment of this practical session, runway was also made in SGi.

Other highlights of the event were flying of small scale aircrafts-SBH Helicopter, 90 S Helicopter, PC 9 Plane, peace Cake and Cot Helicopter. The displayed items included RC Flight Simulator, 50 CC Gas Engine, Brush Less Motor, Electronics Speed Controller, FPV Camera (small and micro camera), Different Size Propeller Display, Flight Control Board, Receiver and transmitter and Engine Servos. About 9 to 10 aircrafts and helicopters/choppers took off from the ground of SGi, flew for several minutes in the sky and then landed back in the college premises.

The assembling of Cessna 182 aircraft before its take off was also done by 3rd Semester Aeronautical Engineering students themselves- Ashish Kumar, Shubham Sharma, Puneet and Suman Kumar Singh under the guidance of Er. Debraj Mitra and Mr. Vishal Dora.

Many students from different schools and parents were the active participants of the event. They purchased the kits and assembled their own gliders. All were very excited and full of zeal and vigour.

The event proved to be successful due to the dedicated efforts of Aeronautical Engineering Department, SGi Faculty & Staff and other experts in the field of Aeronautical Engineering.
