STARTED ONLINE CLASSES DUE TO COVID -19 AND UNDER THE GOVERNMENT GUIDELINES

Aug -2020

The decision to reopen colleges has to be taken by the State Governments in consultation with the colleges after taking the COVID-19 situation into account.

Online classes for the odd semesters have begun in Samalkha Group of Institutions in the Month of August. SGI started its classes in August by following the direction from the Education Department.

Students from all the streams attended the online classes. Senior Academicians have been asked to supervise the online classes while also checking on the classrooms on a random basis. The principals have been instructed to ensure that at least one unit of each subject is completed in the mid of October. The concerned subject's teacher will provide mobile numbers of regular students in order to help them in solving problems online by forming a group. All the online links for the classes will also be provided to the Principal.
